

MARKETING SERVICES

Lead generation

Attract and convert qualified leads even easier

Publishing your thought leadership and technical expertise on Insurance Hound will generate an engaged and nurtured lead that you need to grow your business. Insurance Hound is the UK's leading online resource for brokers and insurance professionals.

Our lead generation service allows you to:

-  Gain instant access to the senior decision-makers you want to speak to across the globe.
-  Receive verified and enriched data using 50 external resources to make sure all business card details are correct and constantly maintained.
-  Receive delivery of leads direct into your marketing system such as Eloqua, Marketo or Salesforce.
-  Use specific filters to target a wide range of vertical industries, job titles, company sizes as well as much more.
